

We're Gen3M. We're Gen3M . We're Gen3M.  
I said we're Gen3M. We're Gen3M.  
They're not us and we're not them.  
We're Gen 3M. We're Gen 3M.  
We're Gen 3M.  
We're Gen3M. We're Gen3M.  
They're not us and we're not them.  
We're Gen 3M. We're Gen 3M.  
We're Gen 3M.

We're the Generation undefined  
If that's not enough to blow your mind  
No one knows who we should be  
An enigma of perplexity

Bewilder, baffle, puzzle me  
Injustice will not muzzle me  
Malala courage, never doubt  
As Gen3M, I will speak out

As Gen3M, we will speak out  
We will speak out

There's so much out there to be done, if we want change the world our way  
where all the wars are history, hunger is a mystery and everybody lives in  
peace

no more bombings from the air nor suicide bombings in the square,  
no more need to say beware as the kids are free to wander ... up & down the  
street; ... up & down the street.

We're not defined by the web  
Nor I.T. quantum leaps ahead  
it's dates in time, a rapper's rhyme  
We'll define who's Gen3M

We're Gen3M. We're Gen3M.  
They're not us and we're not them.  
We're Gen 3M. We're Gen 3M.  
We're Gen 3M.

Where corruption ends in politics, we see an end to kick-back tricks and  
honour fills the void; honour fills the void.  
our rebuild of a tainted Earth, now is filled with a pledged rebirth to end the  
plight of the kids abused, fight to help the many confused; cause some of  
what's religious trash, more dangerous than a junkie's stash; we replace it with  
those high ideals that we still believe that justice heals. 'Cause justice heals.

We're Gen3m. We're Gen3m  
They're not us and we're not them.  
We're Gen 3M. We're Gen 3M.  
We're Gen 3M.

We're Gen3m. We're Gen3m  
They're not us and we're not them.  
We're Gen 3M. We're Gen 3M.  
We're Gen 3M.

We're not defined by the web  
Nor IT quantum leaps ahead  
it's dates in time, a rapper's rhyme  
We'll define who's Gen3M

We're Gen3m. We're Gen3m  
They're not us and we're not them.  
We're Gen 3M. We're Gen 3M.  
We're Gen 3M.

We're Gen3m. We're Gen3m  
They're not us and we're not them.  
We're Gen 3M. We're Gen 3M.  
We're Gen 3M.

We're Gen 3M.

We're Gen 3M.
