

Hum hain Gen3M

Hum hain Gen3M. Hum hain Gen3M. Hum hain Gen3M.

Kaha hum hain Gen 3M, hum hain Gen3M.

Hum ve nahi, aur ve hum nahin.

Hum hain Gen3M. Hum hain Gen3M. Hum hain Gen3M.

Hum hain Gen 3M, hum hain Gen3M.

Hum ve nahi, aur ve hum nahin.

Hum hain Gen3M. Hum hain Gen3M. Hum hain Gen3M.

Hum hain ek anokhi peedi

Kya h^osh udaane yeh kaafi nahin?

Hum kya banenge - jaanne na koi

Uljan ki yeh ek paheli

Uljaao muje, sataao muje

Anyay muje chup na kare

Malala ki sahas - sandeh nahin

Hain Gen3M - Main machaoonga shoor

Hum hain Gen3M; Hum machaenge shoor

Hum machaenge shoor

Abhi bahut kuch karna hai; agar duniya badalni hai

Jahan jung itihaz; bhook ek raaz; aur sab rahe shanti mein

Na vispot havaon mein; na dhamake shaharon mein

Na zaroori "saadhani" ki; bacche khele khuli sadkon mein

internet hamari pehchaan nahin

Aur vijnaan bhi kaafi nahin

Zamana gaya; ab hai naya

Hum nischit karenge Gen3M

Hum hain Gen3M; Hum hain Gen3M

Hum woh nahin aur woh hum nahin

Humhain Gen3M. Hum hain Gen3M.

Hum hain Gen3M

Rajneeti mein rishwat samapt ho aur aneeti bhi khatam ho

Rikt mein Samman bhare

Rikt mein Samman bhare

Hoga duniya ka navnirmaan; leke punarjanm ki pratijnaan

Durvyawahaar Khatam karen; ulje logon ki madat karen
Dharam se jo paglaayen hain; woh gaanje se bhi dhaatak hai.

Badlunge uchh adarshon se; aur vishwaas ki nyaay sab thik kare
Sirf nyaay sab thik kare

Hum hain Gen 3M, hum hain Gen3M.
Hum ve nahi, aur ve hum nahin.
Hum hain Gen3M. Hum hain Gen3M. Hum hain Gen3M.

Hum hain Gen 3M, hum hain Gen3M.
Hum ve nahi, aur ve hum nahin.
Hum hain Gen3M. Hum hain Gen3M. Hum hain Gen3M.

Internet hamari pehchaan nahin
Aur vijnaan bhi kaafi nahin
Zamana gaya; ab hai naya
Hum nischit karenge Gen3M

Hum hain Gen 3M, hum hain Gen3M.
Hum ve nahi, aur ve hum nahin.
Hum hain Gen3M. Hum hain Gen3M. Hum hain Gen3M.

Hum hain Gen 3M, hum hain Gen3M.
Hum ve nahi, aur ve hum nahin.
Hum hain Gen3M. Hum hain Gen3M. Hum hain Gen3M.

Hum hain Gen 3M,
Hum hain Gen3M.
